TENANT PROCESSING, TENANT SELECTION AND UNIT ASSIGNMENT POLICIES AND PROCEDURES

A. Procedure for Accepting Applications and Screening Tenants

All tenant selection will be as established and regulated by applicable program requirements (NCHFA/HOME/LIHTC). Anyone selected for occupancy must meet the qualifications for these programs as they apply to the community.

Applications will be available at the on-site office for pick-up or can be mailed or faxed upon request. A copy may also be downloaded from the property page of the website, www.evergreenconstructionco.com. Applications will be accepted from all interested parties for various rent and income levels (see the cover letter) based on the income at the time of a completed application. Assistance can and will be provided on an as-needed basis in the preparation of applications. If an application is incomplete, or if additional information is needed, the applicant will be promptly notified of the deficiency via phone and mail. Applications will not be time and date stamped or added to the waiting list until it is complete. Complete applications will be noted with a time and date noted in the top right corner of the first page. Applicants will be notified via mail that the application is complete and has been added to the waiting list and they will be notified when a unit is available at the desired size and income qualification in chronological order according to the time completed application was submitted.

Applications may be returned in person or via mail to the site office address included on the cover letter attached to the application. All applications should be completed in their entirety and include a check or money order payable to Evergreen Construction in the amount of \$25 for each adult member of the household or \$25 only for a married couple. No application fee will be charged for targeted referrals from DHHS (or their household members), if applicable.

Each applicant will be interviewed by a representative of the rental community as a part of the screening process. Information gained from this interview and the application will be used to help management gain access to the following criteria which will then be utilized to determine the acceptance or rejection of an application.

1. Household income.
2. References from former landlords during the previous five years for all members of the household.
3. Credit reports and credit references (refer to Credit Policy) for the applicant and any co-applicants.
4. Criminal background/court reports obtained through Online Rental Exchange via CrimSafe for all members of the household age 18 and older, including live in care attendants.

Note: Applicants have the right to submit with the application any evidence of circumstances relating to their criminal background or history that may be attributable to a disability as a reasonable accommodation.

This property participates in a state program in which twelve (12) units in the property are set aside as they become available to eligible applicants receiving a referral from the North Carolina Department of Health and Human Services (DHHS) whose income does not exceed 50% of the area median income. Until these units are occupied; DHHS referral applicants will be offered preference on the waiting list (See G for details).

“This institution is an equal opportunity provider and employer”

EQUAL HOUSING OPPORTUNITY

B. Fair Housing and Equal Opportunity Requirements

It is the policy of the rental community and the landlord to comply with all federal, state or local fair housing laws, as well as all Equal Opportunity requirements in NCHFA/HOME/LIHTC administrative procedures.

No applicant or tenant will be discriminated against based on race, color, religion,sex, sexual orientation, gender identity, national origin, familial status or disability. Equal Housing and Accessibility logos will be used on advertisements and tenant documents.

Management and their repective employess will comply with the Fair Housing Act, the 1988 Fair Housing Amendments Act, Title VI of the Civil Rights Act of 1964, Title VIII and Section 3 of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974), Executive Order 11063, the Violence Against Women Act (VAWA), the Age Discrimination Act of 1975, Section 504 of the Rehilitation Act of 1973, and any legislation protecting the individual rights of residents, applicants, or staff which may subsequently be enacted. Reasonable steps will be taken to ensure meaningful access to the property and its programs by persons with Limited English Proficiency (LEP), those Oral Language Services (i.e. Interpretation) and Written Language Services (i.e. Translation) that may be required in connection with the implementation of this Plan.

C. Assistance for Limited English Proficiency

Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000(d) and Executive Order 13166 require that recipients of federal funds take responsible steps to ensure meaningful access by persons with limited English proficiency (LEP), those Oral Language Servicess (i.e. Interpretation) and Written Language Services (i.e. Translation) that may be required in connection with the implementation of this Plan. The landlord will seek aid to assist LEP applicants using but not limited to the following methods:

1. provide an interpreter, free of charge thru Carolina Association of Interpreters and Translators
2. enlist community volunteer interpreters
3. allow family members or friends as interpreters
4. use telephone interpreting services
5. use internet translation services

D. Acceptance of Applicants

The following criteria must be met to be considered eligible:

1. This is an elderly rental community, where every member of the household must be 62 years of age or older. DHHS targeted referrals will be for households 62 years of age and older.
2. The household's gross annual income must fall at or under the applicable income limit or the applicant is otherwise ineligible as established by program requirements. (See Appendix A for maximum income limits).

Likewise, the household must have a minimum income as established by the landlord. (See Appendix A for minimum income limits).

3. The family size must be appropriate for the size of the unit(s) available based on the following occupancy standards:

<u>Number of Bedrooms</u>	<u>Occupants</u>	
	<u>Min.</u>	<u>Max.</u>
1	1	3
2	1	5

In determining unit size, include:

- a. All full-time members of the household.
- b. A live-in attendant.

Bedroom space will not be provided for non-household members such as adult children on active military duty, permanently institutionalized family members, or visitors.

4. The applicant must have acceptable landlord references. Landlord references will be obtained for each applicant for the previous five years. The references will review if the applicant is current on rent payments, the number of times late, if court action has been taken at any time, how well the rental community has been maintained, whether or not there have been unauthorized occupants and whether the landlord would lease to the applicant again. Each one is considered individually and any negative remarks could result in a denial of the application. Applicants participating in a rent subsidy program which includes risk mitigation tools for landlords such as allowing special claims will not be denied solely on a negative reference or credit reporting for unpaid rent or money owed to a previous landlord. Any applicant who owes past due funds to a previous landlord or to an electric company or municipality for water/sewer (if applicable) will be denied until all funds that are past due have been paid.
5. The applicant and co-applicants must meet the credit policy (refer to Credit Policy).
6. All household members must meet the criminal policy (refer to Criminal Screening Policy.)
7. All applications will be reviewed based on the criteria listed in the afore noted policies and no application will be denied solely based on the reliance of state and federal housing vouchers.

If an applicant has been notified of an upcoming available unit and they are interested, their application is processed as noted above. Upon approval of all criteria, the applicant will be notified via phone and letter, of acceptance of an available unit. The applicant has five (5) business days to respond to accept or deny the unit. A unit is not usually held for more than 30 days to allow an applicant to provide notice to a prior landlord. Extenuating circumstances will be reviewed and evaluated on an individual basis for additional time. Should the applicant not respond within the five (5) business days, they will be removed from the waiting list and the unit will be offered to the next qualified household on the waiting list. (See I. Withdrawal of Applicant for more details.)

E. Violence Against Women Act (VAWA), public law 109-162

In order to protect certain victims of criminal domestic violence, sexual assault or stalking, as well as members of a victim's immediate family, from losing their housing or public assistance as a consequence of the abuse this law prohibits the eviction, denial and/or removal of assistance from certain persons living in federally assisted housing if the asserted grounds for such action is an instance of domestic violence, dating violence, sexual assault or stalking as defined in Section 3 of the United States Housing Act of 1937 and amended by VAWA (42 U.S.C. 13925).

Being a victim does not automatically make an individual or household eligible for federally funded housing or assistance. No preference has been established. Applications for housing by victims of domestic violence will be placed in chronological order of receipt on the waiting list as established herein.

No application will be denied solely for eviction from a prior landlord if it was a result of being a victim of domestic violence or criminal activity directly related to domestic violence. Nor will an existing tenant be evicted for the same.

The following is needed in order to document the victim of domestic violence: police or court records documenting the incident or statements from a service provider, attorney, medical professional etc. This information can be submitted with the application or within 14 days of the request for the documentation. All information obtained will be kept confidential unless the victim consents in writing, the information is required for eviction proceedings or otherwise required by law.

F. Reasonable Accommodations and Modifications

Reasonable accommodations/modifications are available to persons with disabilities who have a verifiable need. A reasonable accommodation is an exception made to the usual rules or policies made necessary because of a disability for the person to use and enjoy a rental community. Modifications are changes to the physical structure. The Fair Housing Act defines a disability as a physical or mental impairment that substantially limits one or more major life activities. The Supreme Court has determined to meet this definition a person must have an impairment that prevents or severely restricts the person from doing activities of central importance in most people's daily lives.

Requests can be made to the site manager by or on behalf of an applicant. If the disability and the need for the requested accommodation is obvious, the site manager will have the applicant/resident complete the Reasonable Accommodation Request (non-verified) form. The completed form should be submitted to the 504 Coordinator of Evergreen Construction Company for processing. If the disability and or need is not obvious, the Reasonable Accommodation Verification form will need to be completed and sent to the medical professional or authorized person to verify the need. Once the form is completed and verified, submit to the 504 Coordinator for processing.

The applicant's inability to complete the form will not be a factor; site management will assist in any way necessary to complete the applicant's portion of the form. However, a form is not required in order to make a request.

Reasonable accommodations can be submitted at the time of application or at any time during occupancy. Each request will be reviewed on a case by case basis, as soon as possible but within thirty (30) days of receipt, to confirm the need and reasonableness of the request. If the reasonable accommodation request is submitted, the unit will be held until the request determination is finalized and communicated in writing to the applicant. If the need is verified and determined reasonable the request will be granted. If not, the individual will be notified in writing of the denial along with an explanation of the decision. In the event the reasonable accommodation is for an available unit, upon denial notification, eight (8) business days will be given for the applicant to challenge the decision prior to renting to another qualified applicant.

Reasonable accommodations/modifications will be made when a disabled applicant/resident can demonstrate a nexus between their disability and the requested accommodation/modification, that will allow the person to have an equal opportunity to use and enjoy their housing choice.

G. Waiting List/ Unit Assignment

A waiting list will be maintained chronologically, in order by date and time of receipt of the application. The list will include the maximum income qualification based on estimated income at the time of application as well as the desired unit size. The landlord will update the waiting list on a regular basis, at least every 90 days, to note any changes that may have occurred since the application was submitted. Applicants will be notified of available units in chronological order based on the available unit size and the qualifying restricted income set aside. Applicants will be given a choice of all available units at the time of their admission. If the applicant is ready to move, the application will be processed for approval. If the applicant is still interested but currently unable to move, the waiting list will be documented with the updated information and the applicant will be moved to the bottom of the waiting list. The landlord will continue moving through the waiting list in chronological order until a qualified applicant fills the available unit(s).

The property contains eight (8) units which are specifically designed to accommodate persons with mobility impairments and two (2) of these units has additional features for the hearing and/or visually impaired. Preference for occupancy of these units will be given to disabled individuals or families who require the accessibility features provided in the units. No non-disabled applicants or disabled applicants who do not require the accessibility features provided will be offered these units until all eligible disabled applicants or current residents have been considered. Existing residents approved for transfer to an accessible unit will be given preference over qualified applicants. Accessible units will be offered to and accepted by non-disabled applicants only with the understanding that such applicants must agree to transfer to a non-accessible unit at a later date if a person with a

disability requiring the unit applies for housing and is determined eligible.

Preference will be given for twelve (12) targeted units set aside for referral from DHHS. The referrals head of household must be disabled and the households must be 45 years of age and older. The household income must qualify at or below 50% of the area median, unless a special waiver is issued. DHHS will be notified of all vacant units, and if the maximum number of referrals are not occupied, units will be held for up to thirty (30) days for qualified referrals. If no referral is received, the unit is assigned as above. Note: In the case of initial lease up, the units will be held for a period of up to 90 days from certificate of occupancy for referrals.

Preference will be given to households wanting to transfer with an approved special accommodation, provided the accommodation was approved prior to the processing and approval of another applicant on the waiting list for the next available unit.

Preference will be given to households that have been involuntarily displaced or face imminent involuntary displacement from their current housing due to government action, loss of housing assistance, or natural disaster.

Units available at the 60% set aside will be offered in chronological order on the waiting list. Available units at set asides lower than 60% will first be offered to a in-house resident who may qualify at this set aside based on the household paying the highest percentage of their income towards rent. The assignment will be based on income verified at the most recent certification for each household. If there are no current residents in need of the lower set aside, it will be available to the next household on the waiting list qualifying for the set aside.

If a household is at a lower set-a-side and the household income increases at re-certification, the set aside will remain the same until the income increase reaches the next highest set aside. At that time, it will be necessary to move the household to this income and rent set aside.

Applications are always accepted for the waiting list. Rental communities are advertised on the website (www.evergreenconstructionco.com). Other advertising may be done in the local area newspapers.

H. Rejection of Applicants

If the applicant is rejected for housing, prompt written notification will be provided advising the applicant of the grounds for rejection via mail with the Applicant Notification Letter. If based on information received from a third party, contact information will be provided so the rejected applicant can investigate and challenge the adverse information. Except in situations where the income exceeds the income limit, applicants have the right to appeal.

Appeals should be made within ten (10) business days from the date of the denial notification letter, in writing to:

Attention: Annette Curtis
Evergreen Construction Company
5711 Six Forks Road, Suite 300
Raleigh, NC 27609
annette@eccmgt.com

If assistance is needed to put the appeal in writing, please contact Annette Curtis at 919-848-2041, ext. 204. Persons with disabilities have the right to request reasonable accommodations. If additional time is required to dispute the findings, the time may be extended an additional eight (8) business days. All appeals are considered on a case by case basis. Should the applicant show mitigating circumstances beyond their control resulted in the denial then the application decision may be changed to approval. Circumstances may include but are not limited to financial hardships related to a medical issue or a temporary loss of job where the applicant can show steps made to remedy the situation. All appeals decisions will be submitted to the applicant in writing with explanations of the decision made.

I. Withdrawal of Applicants

Applicants will be withdrawn from the waiting list if:

1. After reasonable attempts, the applicant cannot be contacted. The landlord will try to reach the applicant at phone numbers submitted on the application. A letter will be sent to the address submitted on the application with notice of five (5) business days to contact the site office with their updated information and intent to move. If no response is received from either method, the name will be removed and a second letter will be sent to notify the applicant of their removal from the waiting list.
2. The applicant refuses an apartment when one is made available to them. In cases of hardship for reasons such as documented health problems, the applicants name will remain on the waiting list in chronological order.

If the applicant simply does not want the apartment at the time offered, but is still interested in an apartment in the future, their name will be moved to the bottom of the waiting list. If the applicant is offered an apartment a second time and it is refused, the applicant will be notified in writing and will be removed from the waiting list. Any future interest in the property will require beginning the application process over again.

J. Transfer Policy

Transfers can be made within the building. Anyone desiring to move to another rental community will need to complete an application, pay the application fee and be processed for approval as any new applicant.

Transfers will be allowed if the following criteria are met:

- The entire household makes the transfer and no additions are made to the household at the time of the move
- At least three months of the initial lease has been fulfilled.
- There are no lease violations for the household within the last 12 months prior to the effective date of the transfer
- No monies are owed for the current unit

Tenants desiring to transfer should notify the site manager to be added to the waiting list in chronological order. No fees will be charged for a transfer. At the time of transfer, the current income certification will transfer with the household and anniversary/recertification and lease end dates will remain the same. The security deposit and pet deposit, if applicable, will be transferred to the new unit less any funds owed for damages to the original unit. The full security deposit for the new unit and any excess fees for damages must be paid within 30 days. However, a pet fee will be collected for the new unit, if applicable.

Should an applicant be housed in a unit with handicapped features due to the unavailability of non-handicapped units, but does not need the type features found in a handicapped designed unit, the applicant must agree to transfer to the first available non-handicapped unit, should an applicant be approved for housing who is in need of the handicapped designed unit and its features. Applicant agrees to transfer within thirty (30) days of written notification from landlord.

If the transfer is approved based on a request for special accommodations (family size; change in household composition; medical reason; inclusive of physical, behavioral, and mental health; need for accessible unit; need for reasonable accommodation), the household will receive preference on the waiting list for the next available unit based on qualifying occupancy size and income set aside.

K. Student Eligibility

Households composed entirely of full-time students are not eligible unless one of the following exceptions is met:

1. All members are married & entitled to file a joint tax return
2. At least one student is enrolled in a program similar to JTPA or work force
3. At least one student was previously in the foster care program
4. At least one student receives TANF

Full-time student households are ineligible if they have been full-time for any part of 5 months in the calendar year.

Compliance

Enforcement of this policy is the shared responsibility of all tenants, the landlord and staff personnel. Tenants shall inform their guests of the smoke-free policy and promptly give landlord a written statement of any incident where they see smoking occurring or smell the effects of smoke. 2. If no credit score has been assigned, Online Rental Exchange evaluates previous credit history accounts based on current status. All accounts in good standing are considered positive and those delinquent, late payments of more than three times in a reported period, in collection or public records are considered negative. If there are more positive or equally positive to negative accounts, the applicant will be approved. If there are more negative than positive accounts, the applicant will be denied.
3. An applicant will not be rejected due to lack of credit history or no credit history.
4. Bankruptcy will be reviewed in the same manner as above. An open case of Chapter 13 will be denied based solely on that factor.

It is the policy of the landlord not to disclose the contents of any credit reports with the applicant or any other persons. The applicant may obtain a copy of the credit report by contacting Online Information Services - Customer Services, P.O. Box 1489, Winterville, NC 28590 or by calling 1-877-262-6851.

CRIMINAL SCREENING POLICY

CrimSafe groups criminal offenses into two categories:

Crimes against Persons:

- Applicants whose conviction, or exit from incarceration, of a felony sex related, forcible offense within the past 5 years will result in denial.
- Anyone listed on the sex offender list will be processed through an individualized assessment.
- Applicants whose conviction, or exit from incarceration, for a felony within the past 5 years, or misdemeanor convictions, or exit from incarceration within the past 2 years for homicide, kidnapping/abduction, assault or violent related offenses will result in denial.

Crimes against Society:

- Applicants whose conviction or exit from incarceration, occurred within the past 5 years for felony drug/narcotic related offenses involving the sale or manufacturing will result in denial. Anyone convicted of these crimes greater than these terms will be reviewed using an individualized assessment.

Individualized Assessments to determine admittance or denial of an applicant shall consist of but not be limited to the following information to evaluate the impact and suitability for admission into the property.

1. the seriousness of the criminal offense;
2. the relationship between the criminal offense and the safety and security of tenants, staff or property;
3. the length of time since the offense, with particular weight being given to significant periods of good behavior;
4. the age of the household member at the time of the offense;
5. the number and nature of any other criminal convictions;
6. evidence of rehabilitation;
7. tenancy supports or other risk mitigation services the applicant will be receiving during the tenancy.

These same assessment criteria will be used to review appeals and reasonable accommodations.

Note: Applicants have the right to submit with the application any evidence of circumstances relating to their criminal background or history that may be attributable to a disability as a reasonable accommodation.
